GIBSON DUNN

Vivek Mohan recognized in Chambers Global 2024 – Artificial Intelligence as “Global Market Leader”

Accolades | February 29, 2024

Chambers Global

Chambers Global 2024 recognized Vivek Mohan as a Global Market Leader in their inaugural Artificial Intelligence rankings. The guide was published in February 2024.

Vivek Mohan is co-chair of the Artificial Intelligence practice and a core member of the Privacy, Cybersecurity and Data Innovation practice. He advises clients on legal, regulatory, compliance, and policy matters on a global scale with a focus on cutting-edge technology issues.

Gibson Dunn’s market-leading Artificial Intelligence practice, founded in 2018, works with companies at the cutting edge of developing and deploying AI technologies amidst a dynamic legal framework. The AI practice represents clients across industries, including in the tech, healthcare, finance, consumer goods, transportation, and industrial sectors.
