

Webcast: Capital Markets: Convertible Notes

Webcasts | February 25, 2026

Join our lawyers for a recorded presentation that equips investors and companies with in-depth analysis of convertible notes. The one-hour webcast focuses on structuring considerations and liability management when utilizing the convertible debt instrument in raising capital and converting debt into equity. **Key topics include:**

- Terms to focus on when evaluating convertible notes
- Over-the-counter derivative transactions (“call spreads”)
- Current market trends and forecasting

PANELISTS: **Stewart L. McDowell** is a partner in the San Francisco and New York offices of Gibson Dunn where she is Co-Chair of the firm’s Capital Markets Practice Group. Stewart represents companies, investors and underwriters in a variety of complex capital markets transactions, including IPOs, convertible and non-convertible debt and preferred equity offerings, spin-offs, PIPEs and liability management transactions. She also represents companies in connection with U.S. and cross-border M&A and strategic investments, SEC reporting, corporate governance and general corporate matters. **Adam Lapidus** is of counsel in the New York office of Gibson, Dunn & Crutcher. He is a member of the firm’s Derivatives Practice Group and Cleantech Industry Group. Adam advises both end users and dealers on structuring, documenting, and negotiating transactions across a broad range of derivatives products. Such products include equity derivatives, interest rate hedges, commodity derivatives, and privately negotiated FX and currency option transactions. Adam’s practice also covers the margin, clearing, netting, and governance considerations related to derivatives transactions. In addition, he advises clients on the generation, sale, and purchase of renewable energy credits and carbon offsets. **Eric M. Scarazzo** is a partner in the New York office of Gibson Dunn where he is a member of the firm’s Capital Markets Practice Group, Securities Regulation and Corporate Governance Practice Group, Public Company Industry Group, and Cleantech Industry Group. Eric represents issuers and underwriters, public, private, and private equity portfolio companies, and businesses from development-stage to blue chip, in high-profile securities transactions. As a certified public accountant for over 20 years, Eric provides counsel to clients navigating the intersection of legal and accounting matters, principally as they relate to capital markets financings and M&A disclosure obligations. He also focuses on capital raising transactions, reporting obligations under the Exchange Act, prospective and remedial stock exchange compliance, and Section 13 and 16 beneficial ownership reporting. **Kate Long** is of counsel in the New York office of Gibson Dunn and is a member of the firm’s Tax Practice Group. Kate’s practice focuses on tax planning for
