

Webcast: Life Sciences 2024 Outlook

Webcasts | March 12, 2024

The past five years have been particularly tumultuous in the biopharma sector. Strong capital markets and M&A activity into early 2020 were whipsawed during the pandemic, with equity valuations climbing significantly through early 2021 before dropping dramatically through the fourth quarter of 2023. Join our team of seasoned attorneys and industry leaders where we provide a recap of 2023 highlights for capital markets, M&A activity, royalty finance transactions and clinical funding arrangements, along with expectations for the Life Sciences deal market in 2024.

PANELISTS: **Branden Berns** is a partner in the San Francisco office of Gibson, Dunn & Crutcher, where he practices in the firm's Corporate Transactions Practice Group, focusing on representing leading life sciences companies and investors. Branden advises clients in connection with a variety of financing transactions, including initial public offerings, secondary equity offerings and venture and growth equity financings, as well as complex corporate transactions, including mergers and acquisitions, asset sales, spin-offs, joint ventures, PIPEs and leveraged buyouts. Mr. Berns regularly serves as principal outside counsel for publicly-traded companies and advises management and boards of directors on corporate law matters, SEC reporting and corporate governance. **Todd Trattner**, Ph.D. is Of Counsel in the San Francisco office of Gibson, Dunn & Crutcher, where he is a member of the firm's Corporate Department with a practice focused on intellectual property transactions in the life sciences and technology industries. Todd represents public and private companies, investors, and academic institutions in the biotechnology, pharmaceutical, technology, medical device, and diagnostics industries in connection with licensing transactions, royalty financings, technology transactions, and mergers and acquisitions. **Melanie Neary** is a senior associate in the San Francisco office of Gibson, Dunn & Crutcher, where she practices in the firm's Corporate Transactions Practice Group, with a practice focused on advising clients in connection with a variety of financing transactions, including initial public offerings, secondary equity offerings and venture and growth equity financings as well as complex corporate transactions, including mergers and acquisitions. Melanie also regularly advises clients on corporate law matters, Securities and Exchange Commission reporting requirements and ownership filings and corporate governance. **Yasha Dyatlovitsky** is a Managing Director in TD Cowen's Private Capital Solutions Group focused exclusively on healthcare. Mr. Dyatlovitsky has over 20 years of experience in leveraged finance and structured credit products. Since 2020, he has helped companies raise over \$7B in financing across debt, royalty, and preferred equity transactions. Mr. Dyatlovitsky joined TD Cowen in 2018 from Stifel, where he served as a Director in its Debt Capital Markets group. Mr. Dyatlovitsky started his career in the securitization group at Lehman Brothers, where he traded and securitized adjustable rate mortgage products.
