Webcast: Navigating AI Compliance: Insights on the Latest Executive Order

Webcasts | December 17, 2025

Join our team for a recorded webcast providing analysis of key provisions of President Trump's executive order aiming to promote "United States leadership in Artificial Intelligence" by preempting state AI laws and regulations. We also provide insights and reactions in recent days from states and companies and a preview of what to expect in the coming weeks and months.

PANELISTS: Helgi Walker is a partner in Gibson Dunn's Washington, D.C. office. She is co-chair of the firm's global Litigation Practice Group and recently served as a member of the firm's Executive Committee. She is also co-chair of the Administrative Law and Regulatory Practice Group and a member of the Appellate and Constitutional Law Group. *Chambers USA* describes her as "dynamite in the courtroom and a forceful oral advocate," "a brilliant legal mind," and counsel with "excellent judgment" and "a reputation for excellence." **Frances Waldmann** is a partner in Gibson Dunn's Los Angeles and London offices and a member of the firm's Artificial Intelligence practice. She advises global companies on regulatory strategy, enforcement, and complex disputes involving technology and digital transformation, with a particular focus on AI. **Vivek Mohan** is a partner in Gibson Dunn's Palo Alto office, where he is Co-Chair of the top-ranked Artificial Intelligence practice and a core member of the Privacy, Cybersecurity and Data Innovation practice. Vivek advises clients on legal, regulatory, compliance, and policy issues on a global scale with a focus on cutting-edge technology issues. His practice spans counseling, regulatory response, incident response, advocacy, and transactional matters, allowing him to provide clients with strategic advice whether they are developing a new product or service, responding to a regulatory inquiry, setting up a privacy program, responding to a data breach, or negotiating a complex agreement. **Eric Brooks** is a litigation associate in the Washington, D.C. office of Gibson Dunn. He is a member of the firm's Antitrust, Administrative Law and Regulatory, Artificial Intelligence, and Appellate and Constitutional Law practice groups. Eric helps clients navigate complex legal challenges and disputes—particularly those involving competition and emerging technologies—at every stage from regulatory counseling through appeal. **Hugh Danilack** is a litigation associate in the Washington, D.C. office of Gibson Dunn. © 2025 Gibson, Dunn & Crutcher LLP.
