

Webcast: Stockholder Agreements, Controller Transactions and Non-Compete Covenants

Webcasts | June 18, 2024

Join us for a 30-minute briefing covering several M&A practice topics. The program is part of a series of quarterly webcasts designed to provide quick insights into emerging issues and practical advice on how to manage common M&A problems. Steve Glover, a partner in the firm's Global M&A Practice Group, acts as moderator. Topics discussed:

- Ed Batts discusses the impact of proposed amendments to the Delaware General Corporation Law (DGCL) that address issues raised by the recent Moelis decision regarding the enforceability of stockholder agreements, as well as various M&A process issues raised by other Chancery Court opinions.
- Harrison Korn addresses the implications of the Delaware Supreme Court's Match decision for transactions involving controlling stockholders.
- Jamie France provides an update on the recently adopted FTC rules banning employee covenants not to compete.
