Who's Who Legal

Nine Gibson Dunn partners were featured by *Who's Who Legal* in its Commercial Litigation 2022 guide. The guide recommended Hong Kong partner Brian Gilchrist, Los Angeles partner Theodore J. Boutrous Jr., New York partner Orin Snyder, Singapore partner Paul Tan, and Washington, D.C. partners Miguel Estrada, Theodore Olson, F. Joseph Warin and Stephen Weissman. London partner Patrick Doris was also recognized as a Future Leader. The guide was published in October 2022. Acclaimed as a litigation powerhouse, Gibson Dunn's litigators have a long record of outstanding successes. The lawyers in our Litigation Practice Group are not just litigators, they are first-rate trial lawyers. Each year, they try numerous cases to verdicts before juries, judges and arbitrators. Our lawyers have tried cases and argued appeals before the U.S. Supreme Court and state supreme courts in addition to federal and state courts across the United States involving almost every foreseeable area of controversy. They also handle disputes before a wide variety of nonjudicial forums, from federal and state agencies to international arbitrations.
