

FTC Publishes Revised Hart-Scott-Rodino Notification Thresholds for 2024

The new thresholds and new filing fees will take effect 30 days after publication in the Federal Register.

On January 22, 2024, the Federal Trade Commission announced its annual update of thresholds for pre-merger notifications of certain M&A transactions under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (“HSR Act”).^[1] Pursuant to the statute, the HSR Act’s jurisdictional thresholds are updated annually to account for changes in the gross national product. The new thresholds will take effect 30 days after publication in the Federal Register and apply to transactions that close on or after that date.

The size-of-transaction threshold for reporting proposed mergers and acquisitions under Section 7A of the Clayton Act will increase by \$8.1 million, from \$111.4 million in 2023 to \$119.5 million for 2024.
